

TECH TALES 2022

OPEN CALL:

A tribute to inspiring explanations of technology

Are you great at explaining and do you, like us, think technology is cool? Is there a particular technology, or a field in technology, that is close to your heart and that you would like to spread the knowledge about? Then it's you we're looking for! On **May 4, 2022**, we open the doors for Tech Tales 2022 at **Tir Na NÓg** in Aarhus to tribute great explanations of tech topics.

Definition of 'Tech Tale':

"An inspiring, educational and eye opening talk relating to a technical topic told in a simple, ordinary and understandable language."

Open Call - indsend Tech Tale:

Send a video that explains your work within the tech field and win the title as one of the three 'Aarhus Tech-explainers 2022'. Participate by following these steps:

First, send a inspiring explainer video (2-3 minutes) about your tech tale - your passionate area or project within tech. E.g. a tech-product / a tech-anthropologist study / a new data method / some new tech-ethics / or just a new interesting technology (deadline: 15. april).

Second, we proclaim the three best and most inclusive explainers who wins the title.

Third, the three presenters take the stage with a full 15 minute tech tale at Tir Na Noq the 4. may.

You video will be evaluated based on your communication skills

TECH TALES 2022

The three categories

- (1) Blockchain teknologi
- (2) Smart City teknologi
- (3) Your specific area of expertise. (For everyone that does not need a frame to work within)

Who can participate?

Everyone. Researcher, student, tech-startup, developer, data specialist, Internet geek - everyone is welcome and no particular background is needed.

Requirements and info:

- Length: 2-3 min.
- Language: Danish or english (rest of the evening will be in danish)
- Make a recording of yourself talking to the camera
- Editing of the video is not expected - but it is allowed
- Shoot the video in landscape mode (on the side)
- Upload through www.wetransfer.com
- Send questions / the video to jonas@cocoders.dk
- Your video will only be used to find explainers. The video will not be public distributed unless you approve.
- **Deadline: 15. april**

Tips:

- Be creative in your storytelling
- Show passion for your project / area of expertise
- Remember: Explain your points and try not to use unnecessary buzzwords
- Extra tip: Tease for the full version of your Tech Tale.
